Dear [Name / Company],

My name is Selena Lytle-Brinck and I am currently in my senior year at Kapiolani Community College enrolled in the the New Media Arts program in Interface Design, pursuing a degree as a graphic designer. I am very interested in applying for the [internship position] and I believe that by joining your team, I can further improve my skills and turn this into a great opportunity for my future career as a Graphic Designer.

The knowledge and experiences that I have gained thus far has allowed me to improve my skills in illustrations, typography, photoshop etc. I am looking forward to gaining new experiences by joining your company and taking the next step in my career to better improve not only my work skills but interpersonal skills as well.

Thank you for your time and consideration. I have attached my resume as well as my portfolio and I hope to hear from you soon.

Sincerely,  
Selena Lytle-Brinck
